About Happiness

Hospice Madre Teresa

Catholic hospice care: ending life with love, dignity and faith.

Introduction of a short reflection on happiness by Br Ostojic for the Hospice's patients and families

Human life is a combination of gift and response. The gift is all that God gives us, since everything is grace and providence. The response will be what we do with that gift.

'God who created you without you, will not save you without you' said St Augustine. He highlights in this way the importance of the response. In fact, our happiness relies in the quality of this response...

The full reflection on happiness will be read after Mass on the 4th and 5th of February.

Do not miss it.
