### The Parable Of The Sower

*Fifteenth Sunday in Ordinary Time. Year A.*

Jesus liked to tell stories to help people understand his teaching. One day he told a story about a farmer who planted some seeds. As he scattered the seed in his field, some of them fell on the footpath and the birds ate them. Other seeds fell on rocky ground. The seeds sprouted, but they wilted and died under the hot sun because they didn't have deep roots. Some of the seeds fell in areas where there were lots of weeds, and the weeds choked out the young plants. But some of the seed fell on good, fertile soil and that seed grew and produced a wonderful crop.

In Jesus' story, the seed represents the Word of God, and the soil represents the people who hear the Word. Many times people hear the Word of God, but they don't understand it, they don't take it in - this is like the seed on the footpath. The seed doesn't have the opportunity to grow in their life before it is taken away. The seed that fell on rocky soil represents those who hear the Word and receive it with great joy, but when the newness wears off and the excitement fades, they drift away because they don't have deep roots. The seed that fell among the weeds represents people who hear and believe God's Word, but soon allow the message to be crowded out of their lives by worries and the desire to get more 'stuff'. But the good soil is when a person hears God's Word, tries to understand what it says and put it into practice in their daily life - the seed takes root and grows and produces a plentiful harvest. ***The good soil is what Jesus wants US to be!***
