Through Life's Maze

Seventh Sunday of Easter. Year B.

Have you ever had fun, getting lost in a maze? I have! When the hedges are high enough not to be able to see over them, it can be really difficult to work out which way you need to go. They can be very frustrating at times, when you can't work it out; they can even make you feel a little worried – will you ever find the way out? You often have to change direction, especially when the path you have chosen leads to a dead end. But however difficult it ends up being, I always get a great sense of satisfaction when I finally reach my goal!

Finding your way through life can be a lot like finding your way through a maze. Each day we have to make decisions and it is sometimes difficult to know which way to go. We may choose the wrong path and end up at a dead end. When that happens, we have to back up and start over again. Life isn't easy and it can sometimes be very frustrating when we don't know which way turn.

Jesus knew that life in this world is difficult. That is why he prayed for his disciples when he knew that the time had come for him to leave this world. "Holy Father, I pray that you will keep them safe when I have gone. I have watched over them and kept them safe from harm by the power of your name. Give them the fullness of my joy, and keep them safe from all evil".

How do we find our way in this world? We put our trust in God, our Heavenly Father, to show us the way. We have his Word, the Bible, to help us. Any time we don't know which way to turn, we can talk to him in prayer and ask him to guide and protect us. It may not be easy, but with God leading the way, we know that we will never get lost.
