Sharing the Gospel message simply – the 3 Circles Model: Have you ever wondered how you could share the Gospel message (when appropriate) in the everyday conversations you have? This simple 3 Circle Model may give you some ideas of how you could get started; it begins with the brokenness of our world, which is something that these days, almost everyone you know will find easy to agree with. You can find out more about it at <https://www.3circlesgospel.com>.

Devotion of the Month – to the Sacred Heart of Jesus: During the month of June, we are all encouraged to develop a greater devotion to the Sacred Heart of Jesus, and on Friday 12th June this year, we celebrate the Feast of the Most Sacred Heart of Jesus. Sometimes it can be easy to forget that Jesus is actually a real person, and nurturing a devotion to His Sacred Heart is a good way for us to show our personal love for Him. There are lots of different ways we can do this, but meditating on the Litany of the Sacred Heart of Jesus is a good place to start. Copies of this Litany are available at the back of church.

Saint of the Week – St Anthony of Padua, “Evangelising Doctor of the Church”: On Saturday 13th June, we remember St Anthony of Padua, one of the Catholic Churches most popular saints. Born as Fernando Martins de Bulhões in Lisbon, Portugal in the 13th Century, Fernando joined the Canons Regular of St Augustine and was eventually ordained a priest. Seeking greater solitude, he moved 100 miles away to Coimbra, and there met a group from the newly founded Franciscan Order. The Franciscans were travelling preachers, relying upon divine providence rather than the income produced by large estates. When 5 Franciscan missionaries had been martyred in Morocco by Muslims, Fernando was so moved by the courage of these martyrs and by the witness of their fellow friars, that he joined the Franciscans – taking the name ‘Anthony’, after Saint Anthony of Egypt, the patron saint of the friars’ house in Coimbra. Although his intention had been to emulate these five martyrs, God had other plans for him. A serious illness and then a storm which blew his ship off course, resulted in him landing in Sicily. There it was discovered that he had an exceptional gift for preaching; sometimes as many as 30,000 would come to hear him! He preached far and wide for the next several years, until his death at the age of 35 years. Many legends surround Fr Anthony’s preaching and miracles. He is known as the patron saint of lost items, because one day a friar stole an important book of Psalms from him, with his own extensive notes in it; Fr Anthony prayed for its return, and the friar was so convicted in his heart that he returned it and repented. St Anthony is also often depicted holding the Child Jesus, because of an account of a friar who saw Anthony in deep prayer, conversing with the Christ Child. St Anthony – your life may have been short, but your pursuit of holiness led to an abundance in grace! Please help us also to pursue holiness, and by God’s grace, to discover how best to serve His holy will. Amen.
